MENA PACKING INDUSTRIES is one of the premium names in the field of Packaging. The company has been able to win the trust and support of its clients with an assurance of high quality products and on-schedule delivery. We are one of the leading manufacturers in India of All type of Corrugated Boxes, Sheets & Rolls etc. Owing to our extensive experience and sustained efforts, we have acquired unique product development skills. Quality has always been the foremost concern of our organization and we strive hard to provide superior range to our clients. We take pride in the possession of a proper processing unit, where the products are processed through different machines and devices meant to achieve optimum quality. It is due to these reasons that we have steadily been climbing the ladder of success and making our presence felt in the industry.

Under the able guidance of our mentor, 'Mr.Jagdish Patel', we have been able to carve a niche in this competitive market. With his sincere efforts, he has enabled us to touch the heights of glory. With his support and guidance, we have become a renowned name among leading promotional packaging material firm for there best products as per the fast-changing trends of the market.
